Appointment Date: _____ Time: _____ Check-in: 3rd Floor/2nd Floor

Thank you for choosing our Dermatology office! We look forward to making your visit as comfortable and productive as possible. The following steps will help us provide the best use of your time with the provider:

- ***Minor Patients: All minors must be accompanied by a parent/legal guardian at each visit. If not accompanied the appointment may be rescheduled.***
- **Please arrive 15 minutes early so we can register/update your information.**
- **Please provide ALL insurance cards, Picture ID, POA and/or current Provider One card if applicable:**
  - ***Current insurance card/s are required by your insurance company to be presented at every visit to our office. Your appointment will be rescheduled to the next available appointment if you do not present all insurance cards at registration.***
  - *Your insurance company obligates us to maintain a copy of your insurance card in your medical record for the purpose of billing your visit.*
- Please refrain from wearing perfume or colognes to our office. Many of our patients have severe allergies, and as a courtesy to them our office is a "scent free" zone.
- Bring your referral, if required. Your insurance company can tell you if you need a referral; we are unable to contact them for you. If your insurance company requires a referral and one is not provided to us, your appointment will be rescheduled.
- Please be prepared to pay your co-pay at the time of check-in if one is required. We charge a $10.00 fee to bill you later for co-pays.
- Please bring in the containers of any medications or over-the-counter products that you are using to treat the current problem.
- Please read entire packet and completely fill out any forms sent to you before arrival.
- *Individuals seeking treatment are not considered to have been accepted into the practice and formed a provider-patient relationship until they have completed a face-to-face visit with a provider who has completed an evaluation and assessment.*

We recommend you allow plenty of time for your first appointment. This initial visit takes time to register, and we do not want to shorten your time with the provider or have to reschedule your appointment if you are late. Due to the shortage of dermatology providers, your appointment may have been scheduled some time ago, and it may not work with your current schedule. Please call us as soon as you are aware that you need to reschedule. With 48 hours notice, we are happy to reschedule; however the new time might be several weeks later. ***If you fail to keep your appointment without notifying us in advance, you will not be rescheduled again.***

Financial Policy and Assignment of Benefits

We would like to share our financial policies with you. The following outlines our mutual business responsibilities and allows us to provide quality, timely and complete health care.

PLEASE READ ALL INFORMATION CAREFULLY AND ACKNOWLEDGE BY INITIALING IN THE DESIGNATED AREAS. WHEN COMPLETED SIGNATURE IS NEEDED ON BACK PAGE.

Patient: _____

Date of Birth: _____ **MRN #:** _____

Patient Responsibility, you agree to:

- Bring all your current insurance card(s) and picture ID to each visit. You are responsible to provide us with all current insurance information. Failure to provide us with the most current insurance information will result in all charges incurred being patient/legal guardian responsibility.
- I understand and agree that regardless of my insurance status, I am ultimately responsible for the balance of my account for any professional services rendered.
- I understand that any biopsy or specimen collected may be sent to an outside lab. These labs have been chosen for superior quality of slide preparation and the expertise and trusted opinions of the dermatopathologists. I understand that I am responsible for these charges and can contact my insurance company or the billing department at the dermatopathology lab regarding coverage.
- Payment for any co-pays as well as any charges for non-covered services or any outstanding balances are expected to be paid at the time of your visit. Your co-payment will be collected at the time of service. If three consecutive co-pay payments are not made at the time of service, it may lead to a dismissal from our practice. We accept cash, checks, Visa, and Master Card.
- **Contact the Business Office prior to your visit if you have no insurance to make payment arrangements, we will ask that you pay a small deposit prior to being seen of $100 for new patients and $75 for established patients.**

I have read and understand the billing policy _____ (please initial)

- To cancel your appointment please call at least 2 business days in advance. Our business days are Monday through Friday. **We may charge a "missed appointment" fee for the following:**
  - **$50 for Office Visits**
  - **$100 for Procedures**

***Cancellations made after normal business hours may also be subject to cancellation fee**

I have read and understand the cancellation policy _____ (please initial)

- Notify us of a change of address, telephone numbers, employer or insurance.
- Obtain any necessary referrals or authorizations prior to your visit, if your plan requires this to see a specialist.
- Angry or foul language directed at our staff is not tolerated and will be grounds for immediate dismissal from our practice.

Dermatology & Allergy Specialists Responsibility

- Commercial/Government Insurance Patients: If we participate with your plan, we will bill your insurance for you. If we do not participate with your insurance, as a courtesy we will file your claims. Understand that since we do not have a contract with your plan, we are not obligated to adjust our charges based on your plan's coverage or benefits. If we do not receive payment from your primary carrier within 45 days of filing, you will be billed for the entire amount. Payment is due 10 days after receipt of the statement, unless other arrangements have been made.

- Medicare Insurance patients: We are participating providers with Medicare and will bill Medicare for all your covered charges. If you have supplemental insurance, we will also bill that for you. If payment is not received from your supplemental insurance within 45 days of being submitted, we may bill you for the balance due. If you do not have a supplemental insurance, your portion (20% of amount allowed by Medicare) may be collected at the time of service, along with charges for non-covered or cosmetic services (you will be asked to sign an Advance Beneficiary Notice form in the event that a service is provided for which we expect Medicare will not pay).

- Collections: We may assess a 1% monthly interest charge on unpaid balance over 30 days old. If we have not received payment in full after 90 days from the date of service, we may refer your account to an outside collection agency where you will be responsible to pay the costs of collection (including court costs and reasonable attorney fees). Any legal action shall be brought and maintained exclusively in a state court of Thurston County, State of Washington and the parties hereby submit themselves to the personal jurisdiction and venue of those courts for the purpose of any such action and hereby waive any defense related to personal jurisdiction, process or venue brought in those courts. If your account is turned over to collections or you have an unpaid balance that is 90 days or older, you may no longer be able to be seen at Dermatology and Allergy Specialists of Olympia, PLLC. A fee of $50 will be charged to any account with a check returned unpaid by the bank.

Remember whether you do or do not have insurance you are financially responsible for payment of your charges. If you have any questions regarding our financial policy, please contact our billing department at (360) 413-8408.

I authorize payment to be made directly to Dermatology and Allergy Specialists of Olympia. I understand any monies paid over and above my indebtedness will be refunded. I understand that whether I sign as patient or responsible party (e.g. parent, legal representative, guarantor), I am directly responsible and will pay for services rendered and not paid by my insurer, and that assignment of benefits under any insurance policy or medical reimbursement plan shall not be deemed a waiver of Dermatology and Allergy Specialists of Olympia's right to require payment directly from me. I understand and agree to adhere to Dermatology and Allergy Specialists of Olympia's financial/credit policy.

I have read and have a full understanding of the financial policy of Dermatology and Allergy Specialists of Olympia, PLLC and agree to these terms therein.

MINOR PATIENT CONSENT FORM

MRN: _____

The providers and staff of Dermatology and Allergy Specialists of Olympia, PLLC place great emphasis on the health and well being of each and every patient in our clinic and we appreciate that you have entrusted us to provide health care services to your minor child (someone under the age of 18). We look forward to working with you to ensure that your child receives the best health care possible.

As a general rule, we require the consent of a parent or legal guardian in order to provide health care services to a minor child. With so many parents working outside the home or with other commitments, we realize that you may not be able to accompany your child on every visit to the clinic. If your minor child presents to the clinic unaccompanied or in the company of an adult other than a parent or legal guardian, we will do our best to attempt to contact you for verbal consent. *Depending upon the reason for the visit, if we are unable to contact you for consent, we may need to reschedule the appointment.*

In an effort to provide the care needed and avoid having to reschedule your child's appointment, we have developed a Minor Patient Consent form that, once **completed by a parent or legal guardian**, will be placed in your child's medical record for use as necessary. This form will allow us to provide routine and emergency medical treatment for your minor child when deemed necessary by qualified medical personnel. This consent form will remain in effect until revoked in writing.

Under Washington State law, minors have the right to consent to certain health care without a parent or guardian's consent. A minor may consent to medical care:

- **If the minor is emancipated (legally independent) or is 17 and married.**
- **In the event emergency care is necessary.**
- **For birth control and pregnancy-related care at any age.**
- **For outpatient drug and alcohol-abuse treatment beginning at age 13.**
- **For outpatient mental health treatment beginning at age 13.**
- **For sexually transmitted diseases, including HIV, beginning at age 14.**
